# ESPINALER MUSSELS IN PICKLE SAUCE

The Tapias family has developed an incredible range of shellfish preserves, crisps, anchovy stuffed olives and, of course, the most delicious Vermouth. Originating in 1896, in a cosy Mediterranean “Taberna” by the Espinal bridge in Barcelona, the family became famous in the region, always serving the best vermouth accompanied by the best tapas.

These delicious mussels, sourced in Galicia, have an intense flavour enhance by the pickle sauce, made with 100% natural ingredients.
