ARTISANAL BREAD STICKS

picos artesaños

Our picos come from the beautiful town of Antequera in South of Spain, from a small family owned bakery . They are made following an strict artisanal process with 100% natural ingredients, without any added preservatives.

Picos or piquillos, due to its crunchiness, go well with any traditional Spanish tapa such as cheese, jamón, olives, anchovies or ensaladilla rusa.

ALLERGENS CODE

GLUTEN. Picos are made from wheat .
